

CELEBRATE NH MANUFACTURING MONTH
Interested in a manufacturing career?
Take a virtual tour of local manufacturers!

NH MEP will facilitate virtual manufacturing tours for middle and high school students every Tuesday and Thursday starting October 5th.

Manufacturing in NH covers a variety of industries including (but not limited to):

- Medical Equipment and Supplies
 - Motor Vehicle Parts
 - Aerospace and Defense
- Pharmaceutical and Medicine

For more information or to schedule your virtual tour, click or contact us below:
