

**FREE 6-week ONLINE Training Course**

## **2018 Transition Course** ***Best Practices in Transition Planning***

Next Steps NH is offering a **FREE 6-week, online training series** for NH high school professionals and families of transition-age youth with disabilities, focused on **Best Practices in Transition Planning**. The series will be offered on the *Canvas* online-learning platform. The course includes a combination of videos, Powerpoint slides, handouts and activities.

**Course opens January 15, 2018 and runs through February 23, 2018**

### **COURSE CONTENT**

**Section 1:** Transition Assessment: Knowing the Options and How to Use Them – Learn the definition and intent of transition assessment, where to find a variety of assessments and how to use them, and tips for mastering their use.

**Section 2:** Assessing and Teaching Self-Determination Skills to Students, What Are the Options? – Learn the definition of self-determination (SD), the components of SD, ways to assess and promote SD, and ways to increase SD practices.

**Section 3:** Tips and Strategies for Mastering Engagement with Students and Families in the Transition Planning Process – Identify challenges to engagement, explore checklists for mastering engagement and identify key priorities for increasing student and family preparation for transition planning.

**Who Should Attend:** High School/District staff and families including but not limited to:

- Classroom & Special Education Teachers
- School & District Administrators
- Special Education Case Managers
- Transition Coordinators
- Paraprofessionals
- Parents
- Vocational Rehabilitation Counselors

**Please complete the registration form on the back of this flyer.**

**Registration deadline – December 22, 2017**

Certificates for contact hours will be provided for participants that complete the course.
