

What is Indicator 14?

The National Post-School Outcomes Center

States must report a percentage for each A, B, and C in the SPP/APR and to the public. States must also provide the actual numbers for each 1, 2, 3 and 4.

States are not required to report those former students who were “doing something other than” or “not engaged” in 1, 2, 3, or 4. However, those leavers will be part of the “total respondents”.

1 = # Higher Ed	2 = # Competitive Employed	3 = # Postsecondary Education or Training	4 = # Other Employed	# Other or Not Engaged (States are not required to report this # but it is in the denominator)
A = 1/ Total respondents				
B = 1+2/ Total respondents				
C = 1+2+3+4/ Total respondents

Definitions:

Enrolled in higher education means youth have been enrolled on a full- or part-time basis in a community college (2-year program) or college/university (4- or more year program) for at least one complete term, at anytime in the year since leaving high school.

Competitive employment means that youth have worked for pay at or above the minimum wage in a setting with others who are nondisabled for a period of 20 hours a week for at least 90 days at any time in the year since leaving high school. This includes military employment.

Enrolled in other postsecondary education or training means youth have been enrolled on a full- or part-time basis for at least 1 complete term at any time in the year since leaving high school in an education or training program (e.g., Job Corps, adult education, workforce development program, vocational technical school which is less than a 2-year program).

Some other employment means youth have worked for pay or been self-employed for a period of at least 90 days at any time in the year since leaving high school. This includes working in a family business (e.g., farm, store, fishing, ranching, catering services, etc.)

Indicator 14

Indicator 14 requires states to report the “percent of youth who are no longer in secondary school, had IEPs in effect at the time they left school, and were:

- A. Enrolled in higher education within one year of leaving high school.
- B. Enrolled in higher education or competitively employed within one year of leaving high school.
- C. Enrolled in higher education or in some other postsecondary education or training program; or competitively employed or in some other employment within one year of leaving high school”. (20 U.S.C. 1416(a)(3)(B))
